Summer Y.E.S. is coming!

If you want to work this summer, applications will be available to pick up at either T.E.R.C. office starting **April 1st.**

Start getting your working card now!

Getting your working card from your high school office will require a physical exam within the last year.

If you played sports within the past year, the school nurse can complete the physical exam form. Otherwise, you would have your doctor complete it then return it to the high school office.

Once the high school office has that, then the student must sign in from of school staff.

Any questions call or stop into a T.E.R.C. office
