HEAP Assistance

The Home Energy Assistance Program (HEAP) helps low-income people pay the cost of heating their homes. If you are eligible, you may receive one regular HEAP benefit per program year and could also be eligible for emergency HEAP benefits if you are in danger of running out of fuel or having your utility service shut off.

The 2023-2024 Regular HEAP benefit opens November 1, 2023. Eligibility and benefits are based on income, household size, the primary heating source, and the presence of a household member who is under age 6, age 60 or older or permanently disabled.

For more information or assistance applying for HEAP, please contact Briana Snyder, AOA Options Counselor, at (716) 532-5777, ext 3624.

Preparing for Winter

Fall is a beautiful time of year, but seasons change quickly! We want to make sure that our Elders are prepared for winter and aware of the services available to help them stay safe.

Snow Plowing

During the winter months the Seneca Nation DPW may be able to provide snow plowing for eligible Elders on-territory. Please remember that DPW's first priority is clearing parking lots and walkways at SNI facilities. After SNI sites are cleared, work begins to plow driveways for Seneca Elders/Disabled members that have requested service. DPW makes every effort to schedule early plowing for those eligible who need to be able to get out of their driveways for dialysis, chemotherapy, etc.

<u>Cattaraugus Elders:</u> To apply for snow-plowing through SNI DPW, please contact Lindsey Cooper, AOA Senior Support Specialist, at (716) 532-5777 ext. 5504.

<u>Allegany Elders:</u> To apply for snowplowing through SNI DPW, please contact Shanelle Mohawk (Alleg. DPW) at (716) 945-5441.
