PLEASE INCLUDE THE FOLLOWING MATERIALS FOR ALL PROJECTS

• Detailed Project Description

Attach a full description of the nature and the extent of work to be undertaken as part of the project. Relevant portions of the project applications or environmental statements may be submitted. Also attach project plans if available.

• Maps

Include maps locating the exterior boundaries, specific excavation areas, and historic (50+ yrs.) buildings within the project areas. Additionally, a general map including nearby streets and road names should be provided. Appropriate maps include topographic, architectural, USGS quadrangle and/or tax maps.

• Photographs

Photographs may be in either black and white or color. If the project involves new construction, include photographs of the surrounding area looking out from the project site. Include photographs of any historic (50+ yrs.) structures involved. Label each exterior view to a site map and label all interior views.
