SENECA NATION OF INDIANS
TRIBAL EMPLOYMENT RIGHTS ORDINANCE

SECTION 1: DECLARATION OF POLICY

As a guide to the interpretation and application of this Ordinance, the Seneca Nation of Indians declares that the public policy will be as follows:

Like land, water, and minerals; jobs, contracts, and subcontracts in the private sector on or near the Seneca Nation Territories are an important resource for Indian people and Indians must use their rights to obtain their rightful share of such opportunities as they become available. Indians have unique and special employment, contract, and subcontract rights and the Seneca Nation Tribal Government has the inherent sovereign power to pass laws to implement and enforce those special rights on behalf of Indians. Indians are also entitled to the protection of the laws that the Federal Government has adopted to combat employment discrimination, and tribal governments can and should play a role in the enforcement of these laws. The Seneca Nation believes that establishing a Tribal Employment Rights Office (TERO) is important in order to use the aforementioned laws and powers to increase employment of Indian workers and businesses to eradicate discrimination against Indians.

Covered employers shall further seek to have at least 51% of its employees who are working within the exterior boundaries of the Nation's Lands be qualified Indians. This 51% Indian workforce participation goal shall otherwise mean the aggregate number of person-hours worked (including training) on-site by Indian persons (including supervisory personnel and stewards) performing work pursuant to the contract divided by the total number of person-hours worked on-site in the performance of said contract.

All covered employers shall comply with the rules, regulations, guidelines, and orders of the Seneca Nation Tribal Employment Rights Commission which set forth the specific obligations of employers in regard to Indian preference in employment, provided, however that these requirements shall not apply to:

It shall be a violation of this Ordinance for any covered entity awarding contracts or subcontracts for supplies, services, labor and materials to bid contracts or subcontracts below the dollar threshold set forth in Sec. 4A.A. or time its contracts or subcontracts which have the effect of circumventing the goals and purposes of this Ordinance.

- C. The prime contractor shall be required to comply with all other requirements of this Ordinance, including Indian preference in subcontracting consistent with this Section 4A, employment and payment of the Employment Rights fee. - E. A Compliance Plan must be completed by all contractors and subcontractors, and approved by the TERO Director before work can commence.
- F. All bid specifics must include the TERO bid language. To the extent practicable, the obligation to comply with this TERO Ordinance shall also be expressly stated in contracts and subcontracts, provided, however, that the failure to include this in a contract or subcontract shall not relieve a covered entity's obligation to comply with this Ordinance.

SECTION 4B: CERTIFICATION OF ENTITIES AS AN "INDIAN-OWNED FIRM"

- A. Any entity which seeks certification as an "Indian-Owned Firm" eligible for the preferences provided under this Ordinance shall submit to the TERO Director an application for certification as an Indian-Owned Firm on a form established by the Commission accompanied by documents and records sufficient to allow the Commission to determine whether the entity meets the criteria for certification set out in Sections 2.1 and 4B of this Ordinance. In addition, an entity which seeks certification as an Indian-owned firm eligible for the preferences provided under this Ordinance, shall submit a new application or renewal application annually. In the event that any of the information submitted by an entity pursuant to this Section 4B changes, the entity is required to provide written notice to the Commission of any such change along with documentation relevant to such change.

Any entity seeking certification, or certification renewal, as "100% Seneca" shall include with the application a non-refundable application fee of \$250.00 payable by check to the Seneca Nation of Indians. All other certification and certification renewal applications shall include with the application a non-refundable application fee of \$500.00 payable by check to the Seneca Nation of Indians. Upon receipt, the application fees shall be deposited in the Nation's general fund, and the TERO shall receive an allocation of such fees by Council action as may be necessary for the TERO to satisfy its obligations.

- B. The application (and all renewal applications) shall be submitted to the TERO Director no later than the time that the entity submits a bid on a project that is subject to bidding, and a copy of the application with supporting documentation, including

TRIBAL EMPLOYMENT RIGHTS ORDINANCE

the application fee, shall also accompany the bid. If the contract is not subject to bid procedures, an application for certification as an Indian-Owned Firm shall be submitted to the TERO Director before any contract will be made with the entity, and entities are encouraged to submit their applications at as early a date as practicable.

- C. Documentation will be required to establish eligibility for certification as an Indian owned firm. The failure to provide valid documentation will result in a Commission decision denying certification of the entity. Documentation required shall include, but are not necessarily limited to:
1. The identity of the Indian owners and the names and addresses of the tribes in which each such person is enrolled;
 2. Documents showing how the entity was established and the ownership and control of such entity. For corporations and limited liability corporations this would include a copy of the articles of incorporation, charter and/or bylaws, and a certified listing of share ownership in the corporation including any and all rights and interest in such shares. For partnerships, limited liability partnerships and any other form of joint venture, this should include a copy of the written agreement by which that partnership, limited liability partnership or joint venture has been established and which shows ownership interests and control as between the parties to the agreement.
 3. Copies of all insurance policies and verification that the premiums have been paid. The TERO Director has the authority to investigate the insurance and bonding requirements in ensure they are proper and current.
- D. It is the responsibility of the entity, and the individual owners of such entity seeking certification as an "Indian-Owned Firm" under this Ordinance to provide accurate, complete and timely information to the Commission. Failure to provide accurate, complete and timely application shall be grounds for a Commission decision not to certify the entity as an Indian-Owned Firm. In the event that false information is found to have been provided to the Commission, the Commission shall have authority to investigate the matter pursuant to Sections 12, 13 and 14, and to take enforcement action and impose penalties under the procedures established by section 15. Certified Indian-Owned Firms shall have an affirmative duty to notify the Commission, within a reasonable period of time subsequent to its certification as an Indian-Owned Firm, of any changes in its organization which may affect its status as an Indian-Owned Firm or any changes in its insurance coverage or bonds.
- E. A Commission decision not to certify an entity as an Indian-Owned Firm may be reviewed pursuant to Section 16 if a suit seeking such review is filed within 15 Days from a decision of the Commission. Such review shall be limited to review of the records as provided to the Commission and the Commission's decision shall be set

aside only if it is found to be arbitrary, in excess of the authority of the Commission or not supported by the records provided to the Commission. Any decision following such review shall be limited to prospective relief, shall not include injunctive relief that would affect contracts already awarded, and shall not include any claims for damages. The Commission's decision shall stay in effect unless and until reversed by the Nation's Courts in a final, non-appealable decision.

SECTION 4C: ADDITIONAL CERTIFICATION

- A. In addition to certification as an "Indian-owned firm," an entity may seek additional certification to qualify for certain preferences in contracting and subcontracting. The purpose of the additional certification process is not to penalize Indian-Owned Firms that have partnered with or otherwise secured the expertise of non-Indians or non-Members to form a team with a given level of capacity and capability. Rather, the purpose is to ensure that a certified Indian-Owned Firm receives the appropriate preference consideration relative to other Indian Owned Firms under the Ordinance when competing for contracts and subcontracts.
- B. An applicant seeking to qualify for preference in contracting and/or subcontracting as an Indian-Owned Firm that is "100% Seneca," "100% Indian-Majority Seneca," or "Majority Seneca" shall submit proof of the applicant's Indian ownership and control to the TERO Director. The TERO Director shall review the material submitted and make a recommendation to the Commission as to whether the applicant firm meets the minimum ownership and control requirements for additional certification.
- C. The ownership and control requirements applicable to each preference category are as follows:
 1. 100% Seneca. In order for an Indian-owned firm to be additionally certified as "100% Seneca," the documentation must establish the following:
 - a. Members own 100% of the firm, are entitled to 100% of all profits, and are entitled to 100% of the assets of the firm upon dissolution; and
 - b. Members exercise 100% of the management and supervisory control of the day-to-day operations of the business, including that all key employees are Members. The employment of non-Members who are not key employees will not disqualify the firm from certification in this category, provided that the non-Members they do not exercise or have the authority to exercise, any management or supervisory functions for the firm.
 2. 100% Indian-Majority Seneca. In order for an Indian-owned firm to be additionally certified as "100% Indian-Majority Seneca," the documentation must establish the following:

TRIBAL EMPLOYMENT RIGHTS ORDINANCE

PAGE 9

- a. Indians own 100% of the firm are entitled to 100% of all profits, and are entitled to 100% of the assets of the firm upon dissolution;
- b. Members own at least 51% of the firm are entitled to at least 51% of all profits, and are entitled to at least 51% of the assets of the firm upon dissolution;
- c. Indians exercise 100% of the management and supervisory control of the day-to-day operations of the business, including that all key employees are Indians; and d. Members exercise majority control of the business and are substantially involved in the day-to-day management and operations of the business.

3. Majority Seneca. In order for an Indian-owned firm to be additionally certified as "Majority Seneca," the documentation must establish the following:

- a. Members own at least 51% of the firm are entitled to at least 51% of all profits, and are entitled to at least 51% of the assets of the firm upon dissolution; and
- b. Members exercise majority control of the business and are substantially involved in the day-to-day management and operations of the business.

D. The following factors will be applied in determining whether the firm meets the minimum ownership requirements for the applicable certification category:

1. Value. The Indian owner(s) must establish that they provided real value for their stated ownership interest by providing capital, equipment, real property, or similar assets commensurate with the value of their ownership share. It will not be considered "real value" if the Indian(s) purchased their ownership share, directly or indirectly, through a promissory note, the ultimate creditor of which is the non-Indian owner(s) of the firm or an immediate relation thereof, or any similar arrangement, unless a convincing showing can be made that the Indian owner(s) brought such special skills, marketing connections, or similar benefits to the firm that there is a good reason to believe that arrangement would have been entered into even if there were not an Indian preference program in existence under the Ordinance.

Where an Indian owner can demonstrate that he or she could not pay good value for the ownership interest because the normal capital sources were closed to him or her because he or she Indian, that person may satisfy this requirement by demonstrating further that he or she extended his or her capital raising capability as far as possible, such that the Indian owner clearly is at risk in the business in relationship to his or her means.

2. Profits. The Indian owner(s) will receive the percentage of all profits equal to their ownership interest. If there is any provision that gives the non-Indian owner a greater share of the profits, in whatever form and under whatever name, such as through management fees, equipment rental fees, or bonuses tied to profits, additional

certification shall be denied. Salary scales will be reviewed to ensure the relative salaries being paid Indian and non-Indian owners are consistent with the skills of the parties and are not being used to circumvent the requirement that the Indian owners are receiving profits equal to their ownership interest.

E. In determining whether the firm meets the minimum ownership requirements for the applicable certification category, the following will be considered in determining whether the firm is under significant Indian management and operational control:

1. To show Indian manage and supervisory control, one or more of the Indian owners must be substantially involved, as a senior level official, in the day-to-day management and operation of the firm. He or she must, through prior experience or training, have substantial occupational ties to the area of business in which the firm is engaged such that he or she is qualified to serve in the senior level position and is sufficiently knowledgeable about the firm's activities to be accountable for the firm's activities. The Indian owners must have the demonstrable ability to independently make basic decisions pertaining to the day-to-day operations of the firm. Office management, clerical, or other experience unrelated to the firm's field operations is insufficient to establish the requisite control necessary for certification.

2. There must be good reason to believe that the firm was not established solely or primarily to take advantage of the Indian preference program. In evaluating an applicant under this criterion the Commission will consider the factors set out below. The Commission shall exercise broad discretion in applying these criteria in order to preserve the integrity of the Indian preference program and, in close or questionable cases, may deny certification:

a. History of the Firm. Whether the history of the firm provides reason to believe it was established primarily to take advantage of the Indian preference program, and in particular whether the firm, a portion of the firm, or key actors in the firm originally were associated with a non- Indian-owned business that gained little of business value in terms of capital, expertise, equipment, etc., by adding ownership or by merging with an Indian firm.

b. Employees. Whether key non-Indian employees of the applicant are former employees of a non-Indian firm with which the Indian firm is or has been affiliated, through a joint venture or other arrangement, such that there is reason to believe the non-Indian firm is controlling the applicant. Whether Indians are employed in all or most of the positions for which qualified Indians are available. A high percentage of non- Indian employees in such positions will provide reason to believe the firm was established primarily to benefit non-Indians.

- c. Relative Experience and Resources. Whether the experience, expertise, resources, etc., of the non-Indian partner(s) is so much greater than that of the Indian(s) that there is little sound business reason for the non-Indian to accept a junior role in the firm or venture other than to be able to take advantage of the Indian preference program.

- F. In considering the various factors relevant to the control of an Indian-Owned Firm, the Commission may, in the exercise of its discretion, decide in close cases to provide an additional certification to the entity at the next lowest level, if such factors for that level are otherwise satisfied, in order to allow the firm to more clearly develop over time the requisite demonstrable level of control for the category originally sought.

- G. A Commission decision not to certify an entity Indian-Owned Firm as "100% Seneca", "100% Indian-Majority Seneca", or "Majority Seneca" may be reviewed in accordance with Section 16 if a suit seeking review of that Commission decision is filed within 15 Days from a decision of the Commission. Such review shall be limited to review of the records as provided to the Commission and the Commission's decision shall be set aside only if it is found to be arbitrary, in excess of the authority of the Commission or not supported by the records provided to the Commission. Any decision following such review shall be limited to prospective relief, shall not include injunctive relief that would affect contracts already awarded, and shall not include any claims for damages. The Commission's decision shall stay in effect unless and until reversed by the Nation's Courts in a final, non-appealable decision.

SECTION 5: UNIONS

Any covered employer who has a collective bargaining agreement with one or more unions shall obtain written agreement from such union(s) stating that the union shall comply with the Indian preference laws and with the rules, regulations, and guidelines of the Seneca Nation. Such agreement shall be subject to the approval of the TERO Director.

- A. Formulate, adopt, amend, and rescind rules, regulations, and guidelines necessary for the Commission to function.
- B. Require each covered employer or entity to submit to the Director, an acceptable Compliance Plan indicating how it will comply with this Ordinance, before a covered employer or entity commences work within the exterior boundaries of any Nation Lands.
- C. Require the Director to impose numerical goals and timetables that specify the minimum number of Indians a covered employer must hire.
- D. Require covered employers to establish or participate in training programs the Commission determines necessary in order to increase the pool of qualified Indians on any Nation Lands.
- E. Prohibit covered employers from using qualification criteria in their personnel requirements that serve as barriers to Indian employment.
- F. To enter into agreements with unions to insure union compliance with this Ordinance. Such agreements shall in no way constitute recognition or endorsement of any union.
- G. Impose contra(£ and subcontract preference requirements with first preference as stated in this Ordinance and establish and operate a system for certifying firms as eligible for Seneca and other Indian preference.

SECTION 8: DIRECTOR; QUALIFICATIONS; STAFF; DUTIES

- A. - D. The Director shall have the authority to review and sign Compliance Plans. It will be the Director's responsibility to ensure that Indian preference is given in contracting, subcontracting and employment.
- E. The Commission shall have the authority to recommend corrective action or removal of the TERO Director.

SECTION 9: DELEGATION OF AUTHORITY

The Commission shall delegate to the Tribal Employment Rights Office Director the authority to carry out the day-to-day operations of the Tribal Employment Rights Office and such other authority as is convenient or necessary to the efficient administration of this Ordinance, except that the Commission may not delegate its power or duty to:

- A. Adopt, amend and/or rescind rules, regulations or guidelines.
- B. To conduct hearings or to impose sanctions pursuant to Section 15.

SECTION 10: INTERGOVERNMENTAL RELATIONSHIPS

The Commission, acting through the TERO Director, is authorized to enter into cooperative relationships with federal employment rights agencies such as the EEOC and the Office of Federal Contract Compliance Programs (OFCCP), in order to eliminate discrimination against Indians within and outside Nation Lands.

SECTION 11: EMPLOYMENT RIGHTS FEE

An Employment Rights fee to raise revenue for the operation of the Tribal Employment Rights Office is imposed as follows:

Such fee shall be paid by the employer prior to commencing work on any Nation Lands. However, where good cause is shown, the Commission may authorize a construction contractor to pay said fee in installments over the course of the contract.

TRIBAL EMPLOYMENT RIGHTS ORDINANCE

- B. The fee shall be non-refundable once a project has commenced.
- C. The TERO Director shall be responsible for collecting said fees pursuant to any rules and regulations adopted by the Commission. - D. The TERO Director shall waive the Employment Rights fee where the covered employer is the Seneca Nation of Indians or any department, corporation, or agency of the Seneca Nation.

SECTION 12: COMPLAINTS

Any individual, group of individuals, or organization that believes any covered employer or entity, or the Commission has violated any requirements imposed by this Ordinance or regulations issued pursuant to it, may file a complaint with the TERO Director. The complaint shall be in writing and shall provide such information as is necessary to enable the TERO Director to carry out an investigation. The TERO Director shall investigate every complaint filed with him/her. If upon investigation he or she has reason to believe a violation has occurred, he/she shall proceed pursuant to the provisions of Section 15. Within 20 Days after receipt of the complaint and on a regular basis thereafter, the TERO Director shall provide the complaining party with a written report on the status of the complaint.

SECTION 13: INVESTIGATIONS

On his/her own initiative or pursuant to a complaint, the TERO Director or any field compliance officer designated by the TERO Director shall make such public or private investigations within any Nation Lands, as he/she or the Commission deems necessary to determine whether any covered employer or other covered entity has violated any provision of this Ordinance or any rule or order hereunder, or to aid in prescribing rules, regulations, and guidelines hereunder. materials to the inquiry. The Commission shall have the authority to administer oaths or affirmations and subpoena witnesses.

Any entity's state or federal tax records, payroll information, or financial reports subpoenaed pursuant to this section or used in a compliance hearing or subsequent appeal to the Tribal Court of Appeals, shall be confidential records and shall not be open to public inspection. They shall be used only by the TERO Director, the Commission, parties to a Compliance hearing or the Tribal Court of Appeals.

SECTION 15: ENFORCEMENT

- A. When after conducting an investigation initiated by a complaint pursuant to Section 12, or a self-initiated investigation pursuant to Section 13, there is reason to believe a violation of the Ordinance or regulations issued pursuant to it has occurred, the TERO Director or Compliance Officer shall notify the covered employer or entity in writing, specifying the alleged violations. However, he/she may withhold the name(s) of the complaining party if there is reason to believe such party shall be subject to retaliation. The TERO Director or Compliance Officer shall seek to achieve an informal settlement of the alleged violation. If unable to do so, the TERO Director or Compliance Officer shall issue a formal written notice of noncompliance which shall also advise the covered employer or entity of his right to request a hearing.
- B.
 - I. The formal written notice shall set out the nature of the alleged violation and the steps that must be taken to come into compliance. It shall provide the employer or entity with five Days to come into compliance.  - 3. If a party fails or refuses to comply and does not request a hearing, the Commission may proceed pursuant to Subsection F.
- C. If the party requests a hearing pursuant to Subsection B.2, and the TERO Director or Compliance Officer has good cause to believe that there is a danger that the party requesting the hearing will remove itself or its property from the jurisdiction of the Nation prior to the hearing, he/she, in his/her discretion, require the party to post a

bond with the Commission in an amount sufficient to cover possible monetary damages that may be assessed against the party at the hearing. If the party fails or refuses to post said bond, the Commission may proceed pursuant to Subsection F. The TERO Director or Compliance Officer may also petition the Seneca Nation Peacemakers Court for such interim and injunctive relief as is appropriate to protect the rights of the Commission and other parties during the pendency of the complaint and hearing proceedings.

- D. Any hearing held pursuant to Subsection B.2 shall be conducted by the Commission. Conduct of the hearing shall be governed by the rules of practice and procedure which may be adopted by the Commission. The Commission shall not be bound by technical rules of evidence in the conduct of hearings under this Ordinance, and no informality in any proceeding, as in the manner of taking testimony, shall invalidate any order decision, rule or regulation made, approved, or confirmed by the Commission. The proceedings and testimony shall be recorded at the request of the party charged or at the Commission's initiative.
- E. Any covered employer or other person subject to Nation jurisdiction which retaliates against any employee, employer, union or other entity because of its exercise or rights under this law, or compliance with provisions of this law, shall be subject to the sanctions set forth in Subsection F.
- F. If no hearing is requested under Subsection B.2, or after a hearing the Commission finds the party in violation and no adequate defense in law or fact exist, or the party failed or refused to post a bond under Subsection C, the Commission may:
1. Deny such party the right to commence business within Nation Lands.
 2. Suspend such party's operation within Nation Lands.
 3. Terminate such party's operation within Nation Lands.
 4. Deny the right of such party to conduct any further business within Nation Lands.
 5. Impose a civil fine on such party in an amount not to exceed \$5000 for each violation.
 6. Order such party to make payment of back pay to any aggrieved Indian covered under this Ordinance.
 7. Order such party to dismiss any employees hired in violation of this Ordinance or Commission guidelines.

8. Order the party to take such action as is necessary to ensure compliance with this Ordinance or to remedy any harm caused by a violation of this Ordinance consistent with the requirements of 25 U.S.C. 1301 et seq. (Indian Civil Rights Act).

The Commission's decision shall be in writing, and served on the parties by registered mail or in person, no later than thirty Days after the close of the hearing provided in Subsection D. Where the party's failure to comply immediately with the Commission's orders may cause irreparable harm, the Commission may request injunctive relief before the Peacemakers Court pending the party's appeal or expiration of the time for appeal.

SECTION 16: APPEALS

- A. An appeal to the Nation's Court may be taken from any final order of the Commission by any party adversely affected thereby. Except as otherwise provided in this Ordinance, the time lines and filing requirements under the civil procedure shall be used in filing an appeal. The Courts shall uphold the decision of the Commission unless it is demonstrated that the decision of the Commission is arbitrary, capricious or in excess of the authority of the Commission. Except as provided in Subsection B of this Section, the order of the Commission shall abate pending a final, non-appealable determination by the Nation's Courts. Upon petition, the Peacemaker's Court may order a party to post a bond sufficient to cover the Commission's assessment against the party or to assure the party's compliance with other sanctions or remedial actions imposed by the Commission's order, if that order is upheld by the Courts.
- B. If at any stage in the enforcement process the Commission has reason to believe there is a danger that a party will remove itself or its property from the jurisdiction of the Nation's Courts, such that the Commission or Courts will not be able to collect monetary damages or TERO fees that are (a) owed by that party pursuant to any outstanding order of the Commission or Nation Court, or (b) which will be owed if the charges set out in any outstanding notice of violations are upheld, the Commission may petition the Peacemaker's Court pursuant to the rules and procedures of that court to attach and hold sufficient property of the party to secure compliance or for such other relief as is necessary and appropriate to protect the right of the Commission and other affected parties.

SECTION 17: CONFISCATION AND SALE

If 31 Days after sanctions have been imposed by the Commission pursuant to Subsection E of Section 15 no appeal has been filed, or 31 Days after a decision by the Court of Appeals pursuant to Subsection A of Section 16, a party has failed to pay monetary damages imposed on it or otherwise failed to comply with an order of the Commission or the Court, the TERO Director or

Court or Court of Appeals may order the Seneca Nation Law Enforcement to confiscate and hold for sale the parties' property to ensure payment or to achieve compliance. Any confiscation order shall be accompanied by a list of the parties' property believed to be within the jurisdiction of the Seneca Nation, the value approximating the amount of monetary damages owed. The Seneca Nation Law Enforcement shall deliver in person a notice to the party informing it of the confiscation and of its right to redeem said property by coming into compliance with the order outstanding against it. If 30 Days after confiscation the party has not come into compliance, the Seneca Nation shall sell said property and use the proceeds to pay any outstanding monetary damages imposed by the Commission and all cost incurred by the court, the law enforcement in the confiscation and sale. All proceeds remaining shall be returned to the party.

SECTION 18: ORDERS TO LAW ENFORCEMENT

The Seneca Nation of Indians Law Enforcement Departments are hereby expressly authorized and directed to enforce such cease and desist or related orders as may from time to time be properly issued by the TERO Commission, Director or Tribal Courts. Such orders do not require a judicial decree or order to render them enforceable. The Law Enforcement Officer shall not be civilly liable for enforcing such orders so long as the order is signed by the Director and the Commission.

SECTION 19: FAIR LABOR STANDARDS

The provisions of the Federal Fair Labor Standards Act, as amended now or in the future, regarding minimum wages, overtime, fringe benefits, and time for payment of wages, are adopted by reference in and by this Ordinance. The Commission shall have the authority to monitor and enforce those requirements, pursuant to the monitoring and enforcement authorities provided generally to the Commission by this Ordinance. Provided that, this section shall apply only to those employers who are otherwise covered by the Federal law. No employer who is not presently subject to the Federal Laws (or subsequently made subject by amendments or court decisions) shall be covered by this section. The purpose of this section is to give the Commission the parallel authority to monitor and enforce the fair labor requirements against those already covered by the Federal law, not to expand such requirements to employers not already covered. In imposing back pay awards, penalties and interest sanctions under this provision, the Commission shall credit an employer with any back pay, interest or penalties paid pursuant to an order of settlement entered into with the Federal government for the same violation.

SECTION 20: SEVERABILITY

If for any circumstance, provision(s) or sections of this Ordinance are held invalid by the appropriate court of jurisdiction, the remainder of this Ordinance and other provisions or sections will not be affected in the application of the Ordinance of any person, employers and others covered by the Ordinance.
