

# SENECA LANGUAGE "MEMRISE" REGISTRATION

## Instructions:

1.) First, you will click a **Memrise Course link** below that interests you.

2.) Once you have clicked on a course link you will be redirected to a Memrise webpage. From here you will click "**Start Learning Now**".

Do NOT click "Sign up" as it will direct you to choose *another* language such as Spanish, Italian etc.

3.) Next you will see the text at the bottom that says **Register by email**. You *may* register thru google or facebook as well but that will *link* your social media apps to Memrise.

4.) Type in your email address and create a password and click "**Register with email**"

5.) Once your account is created you may **bookmark the link** above to revisit. Make sure you save your password.

You can now download the Memrise app on your phone and log in from there as well.

You may skip around "levels" as well. You do not have to go through "level 1" of a course to get to "level 3".

As with any language resource Memrise is just one more "tool" that you can use to help revitalize Seneca Language.

If you need help logging in or setting up your account please feel free to email the Resource Development Committee (RDC) at

[thefaithkeeperschool@gmail.com](mailto:thefaithkeeperschool@gmail.com).

"RDC" is a media team created by 501c3 Agwadeyesta' Do:gë:h and is funded by the Esther Martinez Grant Initiative for which the Faithkeeper School is the primary beneficiary for all resource development as well as the surrounding Native community at large.
