Allegany Territory

March 24, 2022

5:30pm– 6:30pm

**Allegany Community Center
Multi-Purpose Room**

A meeting to discuss upcoming EPD events with the main focus on EPD's Brownfields Program. Input is needed for possible reuse and redevelopment of brownfield sites on Territory (Former Conrail, Former Tannery, & Former Seneca Junction) and to identify other possible brownfield sites on Territory. We will also be available to help answer questions relating to other EPD Programs which include Air Quality, Climate Change, Invasive Species, Pesticides, Solid Waste, Underground Storage Tank (UST), and Water (environmental).

Community input is very valuable!

Light refreshments will be provided
