On November 7<sup>th</sup> Ana Stahlman Adult Employment Counselor and myself traveled to Phoenix Arizona to join many others across Indian Country for the Opportunity Act WIOA -166/477 conference. It was held at the Wild Horse Pass Casino and Resort in Chandler Arizona where there was well over 300 participating in this conference that work in the field of workforce and development. Overall the conference provided a focus on the services we all provide as well as the administrative aspect of reporting and auditing. Every morning a prayer and blessing was said to sent the day and put us all in a good mind. We met many people and will forever be grateful for this experience.

Respectfully,
