## Students of the 2nd Quarter

Grade K: Lariya Beaver

Lariya is very kind, respectful and gets along well with her peers. She is a hard worker and always participates in class, this shows in her work! She has had a fantastic second quarter.

Grade 2: Justine Printup

Justine is always kind to her peers, and always willing to help others. She has had a fabulous second quarter! Her hard work shows with her excellent grades. She loves to read and excels at it!

Grade 4: Elvera Golden

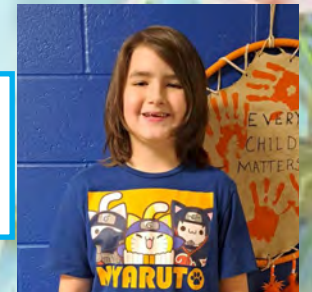

Elvera is a kind and respectful student. She has had a great second quarter! She participates in class and works well with her peers. She is a hard worker and it shows. Elvera has made the Honor Roll for the first and second quarter! Great job Elvera!

Rose has had a great second quarter and has excellent attendance. She participates in class and adds to class discussions. She works very hard and it shows. Rose's favorite subject is math, she is the math wizard in her class!

Grade 1: Rose Henhawk

LeRoy has had an amazing second quarter so far in school! He works hard and has impressed us with his good grades as well as attendance! He loves school, and always has a positive attitude. Ja:goh LeRoy! We are proud of you!

Grade K: LeRoy Henhawk

# Gowanda Middle School Updates

Hello 2nd semester!!! There has been a lot happening over here at Gowanda Middle School. In November we celebrated Native American Heritage Month and 'Rock Your Moccs, Crocs, and Crazy Socks' day!! Students were involved in many activities such as decorating a moccasin, a long ball demonstration, and creating their own poems.

In December, we took a school wide field trip to the CCC for a fun incentive day. Students who were eligible participated in ice skating, dodgeball, swimming, and crafts.

With Spring sports coming right up, we encourage students to seek additional help if needed, to stay caught up with school work. We stay after in the JOM classroom most days Monday-Thursday. Please don't hesitate to contact us if there is anything we can do to help you and your student.

We look forward to warmer weather and a GREAT 2nd semester!!!

~Mrs. Hageman and Mrs. Foit

## Students of the 2nd Quarter

**Lewi Mohawk**  
Grade 5

There has been a vast improvement in Lewi's self mastery during class time. He is becoming more responsible and is starting to ask questions when he needs help. He is a kindhearted student with a great sense of humor. Keep up the great work, Lewi!!

Kanden really stepped up in the 2nd quarter!! He always made sure he was caught up with his school work and if he missed a day then he would work hard to catch up. All of his teachers were impressed with all of his great effort and it did not go unrecognized. Kanden finished the quarter strong and his grades certainly prove it!!! Keep up the great work, Kanden!!

**Kanden Woods**  
Grade 6

Haydon worked really hard after some unexpected absences, to get caught up with her work. She stayed after school almost every day and also took it upon herself to get work done at home as well. She has shown more independence and responsibility during the quarter and her grades really improved. Keep up the hard work, Haydon!!!

**Haydon Zwierzchowski**  
Grade 7

When Jovin heard he had made the basketball team, he kicked his efforts into high gear!! He not only did his own work, but he helped his teammates get theirs done as well!! He made sure to check his grades regularly and used his time wisely to stay on top of everything. Keep giving it your best effort, Jovin!!

**Jovin Jones**  
Grade 8

# Gowanda High School Updates

Coming into the halfway mark at Gowanda High School, there is so much going on inside and out of the classroom. Students grades 9-12 are busy with schoolwork, sports, extra curriculars, and everything in between. With over a quarter of Native American students finding themselves on academic honors lists, it is easy to say that they have been putting in the work and getting things done in all aspects.

November was Native American Heritage Month and several high school students participated in dance assemblies for the elementary, middle, and high school population. It is always a privilege to see these young adults share their love of culture with the rest of their classmates.

Students shined in different extra curriculars throughout the quarter as well. The high school musical this year was “Percy Jackson – The Lightning Thief,” with none other than junior Jack Warrior III as the lead (Percy Jackson). The show was a great success and enjoyed by the entire community at the beginning of February. Other Native American cast members included sophomore Alyssa Golden as Charon, junior Alhanna Gable as Echidna, and freshman Kaevii Yasurek as a helpful squirrel and other support roles throughout the production.

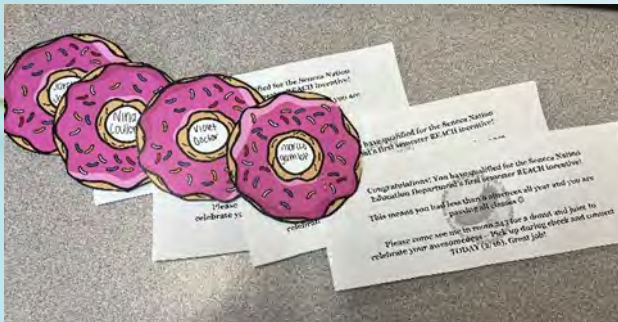

# Gowanda High School Updates

Athletics were of course in full swing – with junior Chloe Luther having her chance in the spotlight and committing to play D1 Lacrosse at Jacksonville University after graduation. Seniors Ke'ya Stevens and Emma Schindler were invited to the first NYSPHSAA Girls Wrestling Tournament in Syracuse as well.

To round off the second quarter, the semiannual REACH incentive program was celebrated by students at the end of the quarter. Students who had less than 6 absences for the first semester and were passing all classes were rewarded with juice and donuts on the morning of February 16. We are of course so proud of all our students, and it is nice to recognize them for their efforts when possible!

## Students of the 2nd Quarter

### Grade 9: Corrina John

During the last weeks of the second quarter, several students at Gowanda missed school to attend Longhouse ceremonies, something important for our students to experience. However, returning to school afterwards can be overwhelming and students sometimes tend to fall behind. This was not something that freshman Corrina John experienced, though. She got back to school and caught up on all her work, all while maintaining high status on the girl's JV basketball team and eventually getting pulled up to Varsity for playoffs. A mature workload to handle, she did so with ease – great job, Cici!

### *Taking Care of Business*

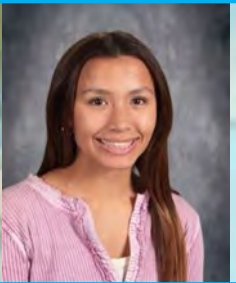

For the second quarter in a row, Winter has maintained over a 100 overall average on his report cards. A true scholar athlete, he played basketball for the school during the winter sports season and is also training for some travel lacrosse action. Although extremely busy with an advanced placement schedule, he manages to not only stay on top of his work – but is on his way of earning a top academic spot here at Gowanda. Super proud of you Winter, keep it up!

### Grade 10: Winter Rivera

### *High Honor Athlete*

### Grade 11: Chloe Luther

Chloe is an incredible student, athlete, and all-around girl. Busy with classes, sports, and all things involving a junior at Gowanda – she excels at it all. She sits in the top group of her class academically and just committed to playing D1 lacrosse at Jacksonville University following her senior year. Lots to be proud of, you would never know seeing Chloe stays as humble as they come. You are such a beautiful person to be around all the time, Clo. Keep up the good work!

### Grade 12: Star Stafford

### *D1 Commitment*

Some seniors tend to drop off the academic achievement scale in the middle of their senior year. However, sometimes someone can surprise me and show that not all seniors are built the same. Star improved from the first quarter not making an academic role, to the second quarter finding herself on the honor roll list, missing high honor by 1 point! At a time of year when seniors can drop off, she seems to have some motivation in her corner. Keep it up and finish your last year of high school strong, Star!

## Students of the 2nd Quarter

Kindergarten- Rainier Maybee- Rainer is very polite, he works very hard and is becoming an amazing reader! We are so proud of his hard work in kindergarten.

First Grade- Cyrus Williams- "Cyrus is a very sweet, kind-hearted boy and hard worker. Cyrus has a positive attitude towards school and gets along well with his classmates. Cyrus always puts 100% effort into his work and is eager to learn."

Second Grade- Bryant Sanchez- "He just stands out in my mind. Bryant is a hard worker and is very invested in his learning. He is a respectful young man who really enjoys school. He is a hard worker, a great role model, and gets along well with his peers."

Third Grade- Marvel Hummel- "Marvel Hummel demonstrates hard work and kindness throughout every day in her classroom. She shows respect to everyone around her and demonstrates a love for learning. Her ability to work at goals and willingness to adjust when necessary, is something to admire. Marvel is an extraordinary student. There is no one more deserving for Student of the Quarter. Way to go Marvel!"

Fourth Grade- Oakley Kennedy- "Oakley is a kind, respectful, and responsible student. He demonstrates a positive attitude daily. He works hard and it shows!"

Fifth Grade- Franklin Thompson- "Franklin has been having a very successful fifth grade year. Currently he is working on his seventh novel this school year. Franklin has written many great essays. Moreover, he completed his first chapter book called, "Meet My Family." Franklin is an awesome speller and tries really hard in math. He almost has his math facts memorized! Franklin is liked by his classmates and has a great sense of humor. Lastly, Franklin enjoys a hug from his teachers! Way to go, Franklin. Keep up the amazing accomplishments."

# Lake Shore Middle School Updates

Hello! My name is Vanessa Parker. I'm the new JOM Tutor who serves the Lake Shore Middle School. I started in January, right before the second quarter ended.

I'm from the Cattaraugus Territory. I'm Hawk Clan. Most of my family is also from Cattaraugus.

I've just returned to the classroom after spending several years as a journalist and city worker in New York City. But prior to that, I spent several years working for the Johnson O'Malley and Head Start programs as a teacher.

I'm enjoying getting to know my students and the district. My immediate goals are to provide a safe and comfortable classroom environment for my students, establish a positive and strong partnership between the program and the district, and above all, to help as many children who need academic enrichment and assistance.

I'm new to this position, so as soon as I have more information, I'll be providing more updated student progress more frequently. I'm working on either an account/page on the Remind app, or a social media page, where parents and students can reach out to me for questions, assistance and communication.

I look forward to a great school year with my Lake Shore Middle School students and staff!

## Students of the Second Quarter

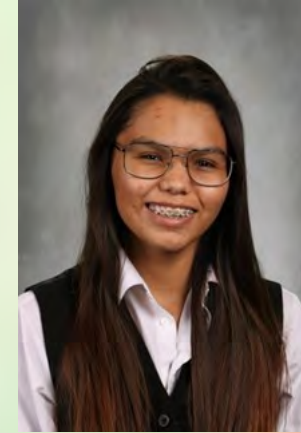

6th Grade: Ashton Sampson

Ashton was chosen for his honor roll grades, congenial personality and helpfulness to others. He's a pleasure to have in class, not just in JOM, but in his core subjects as well. As his JOM teacher, I've observed that he comes to my class every day, prepared to work hard and in conversations, he poses thought-provoking questions. His science teacher, Mary Mullins, said, "Ashton continues to be a shining star during our class discussions." His quick wit and intelligence are what make him a star student!

7th Grade: Kaysen John

Kaysen was chosen for his kindness and great attitude along with his grades, which are excellent, too. He is well-liked and always willing to help another student if he or she needs anything. As his JOM teacher, I'm enjoying having students like Kaysen in my class, as he is respectful of his peers, our classroom, and others. His Social Studies teacher, Lesa Beehler, said, "Kaysen possesses excellent logic and thinking skills." He's a pleasure to have in class—actually—everywhere he goes!

8th Grade: Tyla Thompson

Tyla was chosen for her academic excellence and participation. In JOM, she likes to talk about what she's reading, and our conversations are so interesting and fun. She is on an advanced academic program track, taking courses such as Living Environment, an accelerated science class. Her science teacher, Eric Dumas, said that Tyla "demonstrates a genuine interest in the subject matter." I enjoy our class conversations because her life perspective is insightful. Keep up the great work, Tyla!

# Lake Shore High School Updates

My name is Sarah Pangborn. I am the new JOM teacher at Lakeshore High School. I grew up in Little Valley, NY and am a former graduate of Little Valley Central. After graduation, I attended SUNY Cortland where I majored in Spanish. I furthered my education by getting my Masters in Special Education at Grand Canyon University. I have worked with the Seneca Nation for 8 ½ years. Before transferring to the Education Department, I worked as the GED teacher for Employment and Training. Prior to working at the Seneca Nation, I worked at Salamanca Central School District as a teacher's assistant for 8 years working in various special education classrooms throughout the district. When I am not working, I enjoy spending time with my friends and family. I have a 7-year-old daughter, Karah who keeps me very busy with her extra-curricular activities throughout the year. I am very excited to be part of the JOM team with the Education Department. Please feel to reach out to me if you need anything at [s.pangborn@sni.org](mailto:s.pangborn@sni.org)

# Silver Creek Middle School Updates

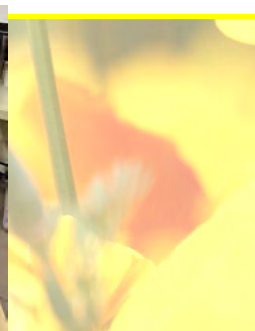

Can you believe the 2nd quarter has come and gone?! At Silver Creek Middle School we have had an exciting time.

Winter sports are in full swing. At Silver Creek Middle School that means Basketball season for both boys and girls modified teams. Several students are playing on their respective teams and balancing their schoolwork, school sports and other commitments to family, friends, and other sport leagues. Here are some tips for staying on top of it all. Make a plan! Write yourself a "TO DO" list. List everything big and small that you need to accomplish in the day. Use your time wisely! Do you have a half hour at school between your last class and practice? Use it to complete schoolwork/homework and study for upcoming tests. Have a snack on hand. You never know when you'll get hungry, or if a practice/game will go long. Stay hydrated. Always have your bottle of water with you. And last but not least, get your rest. Sleep is the number one practice to heal and reset your body for your next long day!

On Tuesday, December 22nd, the 8th graders held a dodgeball tournament as an incentive. Students earned the privilege to play on their respective team throughout the month of December. Students were split into four teams and played in an elimination style tournament. 6th and 7th grade students cheered on their favorite teams. After the 8th graders battled it out, it was then the 7th graders turn to test their skills against the middle school teachers! Unfortunately for the students, the teachers won. This is one of many new incentives the Middle school has implemented this school year. We look forward to more team/community building activities that bring a fun atmosphere to the middle school for the rest of the year.

On Thursday February 16th, the Silver Creek Middle School students celebrated the REACH incentive for the 1st semester. Students that met the incentive with good grades and attendance received a donut and juice party at the beginning of their school day. Congratulations to all the students that met the incentive.

On Thursday February 23rd middle school students from the tri-districts had the opportunity to attend the February break field trip. This year's middle school trip was to Cascade Lanes in Springville for a fun day of bowling and pizza. A great time was had by all in attendance.

# Silver Creek Middle School Updates

I would like to congratulate **Ericka Austin** as the 6th grade JOM student of the month. Ericka, “Ricky,” is a pleasure to be around. She always is filled with excitement for whatever she is doing. She always lends a helping hand to the students around her. She is quick with an answer and is responsible with her work when she misses class for a band lesson.

Next is the 7th grade Student of the Quarter, **Zalichi Dejesus**. Zalichi is a quiet student in a sea of middle school drama. He knows when to have fun with the other students and when to keep his head down. You can tell that Zalichi is more confident in his schoolwork as the year goes on and he has made strides in being comfortable seeking out help when it’s needed.

And finally, the 8th grade Student of the Quarter is **Johnathan Seneca**. This bright young man has made great gains this school year. He’s taking the work seriously. You can tell by the way he interacts with the other student and quietly gets back to work while others take longer to refocus to the task at hand.

Congratulations to all the Silver Creek Middle School Student of the Quarters!

# Silver Creek High School Updates

Winter and Holiday activities at Silver Creek High School kicked off with the inaugural induction of members into the Indigenous Honor Society. Jackson Williams, Kayla John, Maya Monroy, Tory Cook, and Timothy Williams were honored for their academic and cultural achievements with a dinner at Chef's in Buffalo on November 30<sup>th</sup>. A special thank you to Mary Williams for all her hard work organizing this event and new organization. We are all very proud of these deserving students. Other events included an information session from the Seneca Nation Higher Education Department, a Career Exploration Session on Healthcare and Nursing, and a behind the scenes tour of Seneca Niagara Hotel and Casino over February break. We also celebrated the following students who achieved the REACH attendance and academic incentive for the first semester: Autumn Wolff, Shylor Maybee, Jackson Williams, Timothy Williams, Jacob Jimerson-Kenjockety, and Ayden Nelms.
