Congratulations!

Morgan McClune, 19 y.o. who was TERC's first 'under 21 y.o.' to obtain his CDL-A license! Since May 14, 2022, NYS DMV changed the age requirement: a driver who is under 21 y.o. to qualify for a CDL-A!

Not only that, Morgan already possessed his Equipment Operator certificate from Catt/Alleg. BOCES when he graduated from high school in June 2022! And to top it off, Morgan has recently been accepted into the Laborer's #621 union!

We are all very proud of Morgan's dedication to achieving his goals while a participant in TERC!

If you are interested in getting your CDL, Equipment Operator cert, or any other certificate to assist you in your career goals, please go to your local TERC office.
