## 6 Pillars of Character

February  
2014

According to the Josephson Institute Center for Youth Ethics, there are 6 Pillars of Character that are unbiased and ethical that everyone can agree on. These traits include: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. Silver Creek Elementary School celebrates students who exhibit the 6 Pillars of Character by recognizing them with an announcement, a picture hung on the wall in the school hallway, and a certificate with a wristband.

The following students have been nominated by their teachers to receive an award for demonstrating one or more of the following traits of the 6 Pillars of Character:

<i><b>Fairness</b></i>	<i><b>Caring</b></i>
A person who is fair and just, is impartial, listens and is open to differing viewpoints.	A person who is caring, loving, compassionate, considerate, kind, and charitable.
Waylon Parker Olivia Ground Hailey Raner Blayze Becker Trenton Logan Autumn Wolff David Warrior LittleHawk Halftown Nina Thompson Takoda Marr Greyson White Meeya Geiogamah	Arianna Smith Blayze Becker Ethan Nephew Avianna Jimerson Troy Jimerson-Williams Trevor Jamison Ashton Clark-Sanford Hailie Rybij

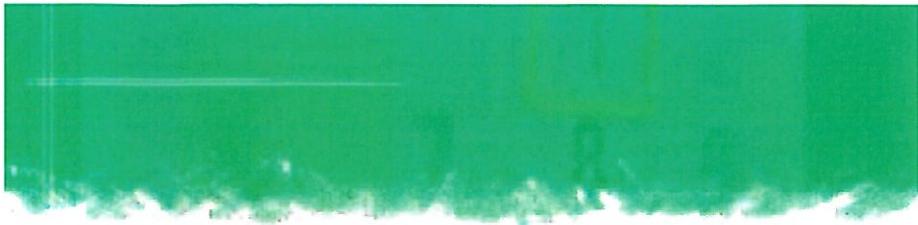

Special points of interest:

- ✓ Upcoming Events
- ✓ 2nd Quarter R.E.A.C.H
- ✓ Special Recognition
- ✓ HS Fun Night
- ✓ MS Fun Night
- ✓ Elem. Fun Day

*"Congratulations to all of the students who exhibit these good character traits on a daily basis!"*

# Congratulations 2nd Quarter Gowanda R.E.A.C.H students!!!

Gowanda Elementary School students recently celebrated their excellent attendance. Those who enrolled in the REACH program and had 3 or fewer absences (3 tardies = 1 absence) for the second quarter were invited to enjoy a pizza party and a movie. Forty-nine GES students achieved this goal! If you have not enrolled your children in the REACH program it is not too late to do so. Contact the JOM teacher at your child's school or ask for Caitlin Snyder or Joel Blasdell at the Education Department.

# Congratulations 2nd Quarter Lake Shore R.E.A.C.H students!!!

This quarter's REACH pizza party at JT Waugh was a huge success. We had 27 students who qualified for the pizza party incentive. The students were invited to the JOM room where they enjoyed delicious pizza from Capozzi's along with some Hawaiian Punch and Oreos.

# High School Fun Night

On February 7, 2014, our department hosted a "Fun Night" for high school students in the tri-county districts, Gowanda, Lake Shore and Silver Creek. Students took a trip to Sky Zone Indoor Trampoline Park in Buffalo, N.Y.

Though our student turnout was low due to rescheduling of winter sports games in each district as a result of snow days, students, in attendance, had a great time. Students especially enjoyed dunking the basketball with the help of trampolines and playing dodge ball.

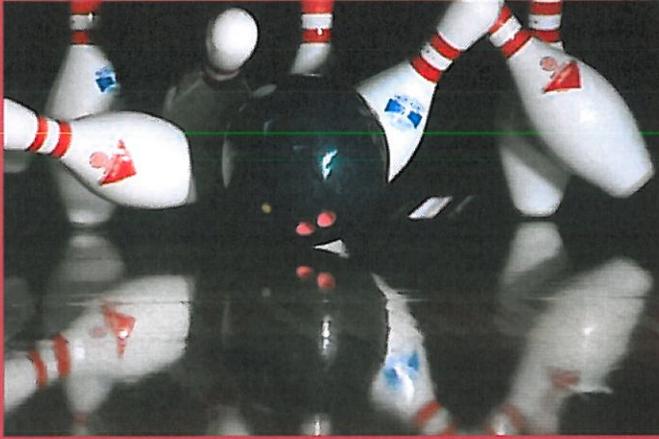

For many of the students, it was their first time going to Sky Zone and they were not disappointed. On the way home, students were asking when the next trip will be. Overall, the trip was a success.

# Middle School Fun Night

Gowanda and Lakeshore middle school students attended the middle school fun night at the Saylor building on February 13, 2014. The night consisted of bowling at Brierwood Country Club, valentine making at the Saylor for the elders at AOA, and different exciting activities in the gym. A total of 48 students attended the festivities and was enjoyed by all! The valentines were delivered to the elders on Valentines Day.

# Elementary Fun Day

On Monday February 17, the AASP/JOM program sponsored an Elementary Fun Day. Students had fun roller skating at the Angola Roller Rink. The beginners persevered and learned to let go of the wall. Falls were quickly forgotten as students returned to the Saylor Building for lunch. Then everyone enjoyed watching The Croods and snacking on popcorn. Finally, they played games in the gym until it was time to go home.
