

Seneca Nation of Indians AfterSchool Cultural Arts Program

As part of our effort to reach out to students, we will be visiting the surrounding school districts to conduct a Seneca Cultural Arts Activity for one week each month for the remaining school year. These classes are open to all middle and high school students; but will be limited to 10 students per session. They are free of charge. check with your local Title VII office to sign up and main office to arrange to catch your districts' after school bus home. (example - if you attend GCS you will sign up for and attend only the March 9th, April 13th, and May 11th sessions.)
