Employee of the Month

Tami Thompson

Infant Room

“Tami is always engaged with the children.

She has a positive attitude and she is always full of smiles.

Tami is an asset to the ECLC program.”

We like how Tami can handle anything that is thrown her way. Her attitude seems to be reflected off to other employees that contributes to effective interactions with the children. Her creativeness and other skills are admiring to many. We are so thankful for Tami Thompson!

Dear Parents

We have met so many milestones this year. I look back to the first day of Head Start, we have grown dramatically in all areas of development. I'm so proud to see students writing their names and using scissors correctly. We have made so many new friends in Head Start. The students are all very proud of the accomplishments they have made. I have to also thank you for your continuous dedication in preparing your child for the next step in their education. We only have three months left of Head Start and the time will fly by. It's time to step it up and prepare our little ones!!!
