Of The

QUINNY G!

We are so glad that we have someone like Quin Gates be a part of our staff! Her hard work and great work ethic is very appreciated. Besides the hard work she does for kids in Pre K, her effortless connection with the kids needs to be recognized as well. Her "big sister" relationship makes it easier for the kids to enjoy her teaching opportunities. Quin is also very professional and outstanding with the ECLC policies. Again, we are glad that we have someone like Quin!!! Ja:goh!
