

Sylvan STEM Fun Days!

ROBOTICS and CODING

February 16th & 17th

10:00am—2:00pm

BUILD GAMES,

Build Apps,

Build Robots,

Build Friendships,

Build Confidence!

FOR GRADES
3-8

If you're looking for a cutting-edge STEM program over February break, turn to Sylvan at SNI! Our introduction to robotics and coding will help your child learn critical skills for the future in a fun, interactive setting.

Each student will:

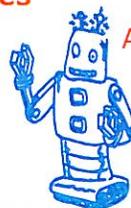

- Create and **animate LEGO® robots!**
- Learn computer programming by **designing video games** that can be shared and played with friends!
- Become a **master problem solver** through a variety of fun and challenging activities and games.

SNI Saylor Building
