MOTHERS DAY TEA PARTY

The month of May is the month to celebrate ALL mother's and their long-lasting nurturing motherhood. This month the library held its annual Mother's Day Tea Party on Friday, May 6th, 2016 starting at 11:00AM, for our community. We not only served tea and lemonade but delicious treats as well. Light refreshments included fruit, muffins, cookies, cupcakes, a Mother's Day cake, cheese cakes, brownies and banana's strawberries and marshmallows for a mini chocolate fountain delight. It was quite the treat. Thanks to all those who attended & hope you enjoyed. Happy Mother's Day!

May 20th, the library held one last cold plate sale fundraiser for this year's 2016 NYS Summer Reading Program. With the new menu the library was very pleased with the outstanding crowd they got that day. Once again the library sold out in record time! The library staff would love to thank all those who stopped & grabbed themselves a delicious lunch. The staff are all just as appreciative to the ones who donated as well. CRAFT CLUB NIGHT

MAKE YOUR OWN JEWELRY

This month the library's craft club members designed and made their own jewelry. Each member chose from a necklace, anklet or bracelet to create. They then got to choose from a variety of charms such as sea shells, roses, key's, feathers, wings, hearts, lockets, different colored beads and more, to add to their work. We also had silver, pearl & glittery ball charms to shine them up! The ladies designs turn out pretty and they happily wore them out at the end of the night. Thank you to all participants and very nice pieces. Ja:goh! We would also like to give a special thank you to Penny Karr for bringing in her personal material to share and showing us some of her jewelry making skills and techniques. Thank You Penny! You Rock!

LETTER TO CRAFT CLUB MEMBERS

Dear Craft Club members,

We hope all is well & everyone is enjoying the sunshine and warmer days. We are saddened to inform you that we will be putting a halt to our regular monthly craft club nights for summer hours but we will continue back up in the Fall.

We want to thank ALL members for making this club fun, successful and spending time with us here at our library, as well as sharing your craft idea's.

At our last craft club night *Make Your Own Jewelry* we announced to the group that we will be taking a break for the summer and also handed out library tote bags with some of our promotional items to show our appreciation for being apart and friends of the library. Your participation really encouraged us to hold more craft nights at our community's library. Very awesome! If you did not receive your tote bag we ask that you come in & pick yours up! Thank you. Enjoy your summer & see you in the Fall.

Sincerely,

The Seneca Nation
Library Staff
