

COMMON CORE MATHEMATICS

FOR PARENTS

OCTOBER 20, 2016
6PM-8PM

BUFFALO NATIVE RESOURCE CENTER
135 DELAWARE AVE. BUFFALO NY

It is vital that you participate in your child's education. If the new Common Core Math is preventing you from helping your student, we can help. This program will help parents to help their child with homework. **Call to let us know you are attending.** Dinner will be served, and door prizes will be given out. Seats are limited. Meetings will be held regularly based on demand.
