**Monday, November 14, 2016
6–8 p.m.
&
Tuesday, November 15, 2016
11 a.m. to 1p.m.**

Please come to one of these two informational sessions for our upcoming Feasibility Study that we will be conducting to combat the blue-green algae plaguing the Allegany Reservoir. The purpose of this meeting is to provide information regarding the project and to gather public input. The Seneca Nation Watershed Resources Working Group will be working with the USACE Pittsburgh District to find solutions to this large-scale issue.

**Any questions, feel free to contact the Seneca Nation:
Environmental Protection Department at (716)945-1790
Conservation Department at (716)945-2779
Environmental Health at (716)945-5894**
