

SNHS Child & Family Services Presents:

So every child can experience the magic of Christmas.

The purpose of our Giving Tree is to enhance a child's Christmas by providing them with gifts, in which they may not otherwise receive. Child & Family Services currently has families that would be delighted to receive some extra help this holiday season. Please consider donating gifts for a child this year.

Give:

1. Choose a paper tag ornament from the Giving Tree. Our trees are located:
Allegany- within the LRJHC (The main lobby and the BHU/Child & Family Lobby)
Cattaraugus- in the lobbies of CIRHC and the CHWC.
2. Purchase a gift(s) that corresponds to the child on the paper tag.
3. Drop your unwrapped gift and paper tag off to Child & Family Services.

Receive:

Once you drop off a gift to Child & Family, you'll receive a keepsake gift. From our tree to yours, it's our way of saying Nya:weh!

GIFTS MUST BE DROPPED OFF TO CHILD AND FAMILY BY DECEMBER 16TH
