

**Citizen
Preparedness
Corps**

With severe weather events becoming more frequent and more extreme, it is more important than ever that New Yorkers are prepared for disasters. **The NY Citizen Preparedness Training Program** teaches residents to have the tools and resources to prepare for any type of disaster, respond accordingly and recover as quickly as possible to pre-disaster conditions. The training course will provide an introduction to responding to a natural or man-made disaster. Participants will be advised on how to properly prepare for any disaster, including developing a family emergency plan and stocking up on emergency supplies
