## at the Seneca-Iroquois National Museum

Sassafra Sally, Medicine woman, had an unusual encounter with **High Hat** down at Old Route 280. Kari investigated this story and will give us an update on what she found out. Hmmmm.....wonder what she learned? Join us on Wednesday evening, October 24th at 6:00; 6:30; or 7:00 to find out...

Open to the general public. Free admission. Will Sassafra Sally serve refreshments?
